

Collision^{'19}

a summer camp

DEAR AMAZING PARENTS/GUARDIANS:

Your student/young adult is given so many incredible opportunities throughout the year to enjoy life experiences like: sports, drama, dog-sledding, academics, cheer-leading, bull fighting, sky diving, and family vacations; but we promise you that nothing has the potential to alter the course of history for them like Collision. We're not just blowing smoke! We have seen it time-and-time again. Young people come to Collision *lost* and leave *found* in Jesus; they come *broken* and are made completely *whole*; they come *sick* and are *healed*. We enter the weekend with a mountain-moving faith and believe that, through Jesus, *anything* is possible.

The vision and theme this year is probably the simplest and most profound we have ever had before...You ready? JESUS. That's it! Right to the point It's all about Jesus! It always has been and always will be. We have a deep conviction this year through every message, dramatic element, worship song, fam discussion, and cabin time over the weekend to engage students and young adults with the person of Jesus Christ, the Author and Perfecter of our faith.

It has been said that a weekend encounter of this caliber is equivalent to one year's worth of church. Don't let anything stand in the way of this weekend! Collision 2018 has the potential to be one of the most important mile markers in their relationship with Jesus.

If you have any questions, please give our office a call at 810-724-8110.

We Are One,

Pastor Dave and Sidney

MEDICATION INFORMATION

We know that for a number of reasons, some of our students / young adults need to take medication. For many of them, it is a part of their daily routine. While they are enjoying Collision, we encourage them to continue this routine by administering their own medication. We would appreciate knowing which students will be taking their medication and the type of medication being taken. All medication must be in an appropriately labeled container. All those that are non-prescription, must have your son/daughter's name on the bottle. All students must agree that they will not share their medication, even a mild analgesic, with any other student unless it is approved by their leader. Medical information and permission to administer any meds can only occur with written parental permission. You can inform us of your student's medication needs by completing the attached form and returning it to the We Are One Staff.

Some of our students depend upon medications for their daily wellbeing. For those who take prescription medications, a nurse will be available to maintain and administer these meds per parent request. These medications should be brought to the church the day of our departure and taken directly to the nurse's table which will be near the check in area in the We Are One Youth Facility.

We will provide Tylenol to students in need with parent permission, therefore, please do not send Tylenol with your child. If you have any questions, please feel free to give me a call.

We Are One,

Pastor David J. Krist
